

## IN-HOUSE LEARNERSHIP

Learning programmes offered as part of the Plastics Manufacturing Learnership towards the qualification:

*National Certificate Plastics Manufacturing NQF 3*

**Learnership No.**  
**17 Q 170096 36 126 33**  
**SAQA ID: 49449**

### Fundamental and Core Unit Standards:

Learning Programmes offered by Plastics|SA which are included in the Learnership:

Learning Programme Title	Unit Standards	Credits
Apply Safety, Health, Environmental and Quality Assurance Procedures and Systems SP0111/07-17(a) (3 days)	Apply safety, health and environmental protection procedures (13223)	Credits 6
	Apply quality procedures (13234)	Credits 8
Basic Raw Materials SP0110/07-17 (3 days)	Work with and look after materials in the plastics manufacturing production process (119169)	Credits 12
Control Expenditure SP0083/06-17 (3 days)	Use mathematics to investigate and monitor the financial aspects of personal, business and national issues (7456)	Credits 5
	Develop a personal financial plan (12429)	Credits 2
	Manage personal expenditure (10712)	Credits 3
	Control depot expenditure budget (14645)	Credits 2
Develop Learning Strategies SP0374/09-17 (1 day)	Develop learning strategies and techniques (12457)	Credits 3
Essentials of Written Communication (2 days)	Interpret and use information from texts (8969)	Credits 5
	Write texts for a range of communicative contexts (8970)	Credits 5
Fundamentals of Compiling Workplace Reports (2 days)	Complete feasibility and commissioning reports (12488)	Credits 3
	Investigate life and work related problems using data and probabilities (9012)	Credits 5
(Process, e.g., Injection Moulding) Machine Operations SP0080/06-17 (5 days)	Perform routine operations on plastics manufacturing equipment (119162)	Credits 10
	Transport and care for tooling in plastics manufacturing processes (119142)	Credits 6
	Perform routine maintenance tasks on plastic manufacturing equipment (119174)	Credits 2
Resolving Conflict in a Diverse Environment (3 days)	Show understanding of diversity in the workplace (116720)	Credits 3
	Use communication skills to handle and resolve conflict in the workplace (9533)	Credits 3
	Use language and communication in occupational learning programmes (119467/8973)	Credits 5
	Accommodate audience and context needs in oral communication (8968)	Credits 5
Time Management (1 day)	Manage work time effectively (9530)	Credits 3
Use Mathematics to Solve Workplace Problems SP0358/09-17 (3 days)	Demonstrate an understanding of the use of different number bases and measurement units and an awareness of error in the context of relevant calculations (9010)	Credits 2
	Describe, apply, analyse and calculate shape and motion in 2 and 3 dimensional space in different contexts (9013)	Credits 4
Utilise Organisational Policies and Procedures (1 day)	Explain and use organisational procedures (12456)	Credits 6

## IN-HOUSE LEARNERSHIP (continued)

Learning programmes offered as part of the Plastics Manufacturing Learnership towards the qualification:

*National Certificate Plastics Manufacturing NQF 3*

**Learnership No.**  
**17 Q 170096 36 126 33**  
**SAQA ID: 49449**

**Elective Unit Standards:**

- The Company has a choice of the elective unit standards it wishes to include in the qualification. Eighteen (18) elective credits are required to fulfill the requirements of the qualification.

The following Learning programmes offered by Plastics|SA are not integrated into the Learnership Programme. The Company can make a selection of these at no additional cost.

**Company selects unit standards below:**

		Select Unit Standard
*Develop and use keyboard skills to enter text (9357) 1 day	Credits 4	
*Produce word processing documents for business (7570) 2 days	Credits 5	
*Produce and use spreadsheets for business (7567) 2 days	Credits 5	
Frame and implement an individual action plan to improve productivity within an organisational unit (14445) SP0121/07-17 1 day	Credits 3	

\*If the company selects these unit standards, it needs to ensure that sufficient computers are available with Office 2016.

- The following unit standards covered on Level 2 can be pulled through as electives to Level 3 to make up the difference of credits required:

		Select Unit Standard
**Develop a learning plan and a portfolio for assessment (12465) SP0372/09-17 (2 days)	Credits 6	
**Understand and deal with HIV / AIDS (12463) (1 day)	Credits 3	

\*\*If a learner does not have evidence of training in these programmes, he/she will need to undergo training in these, at an additional cost.

- Programmes **not** offered by Plastics|SA and will be additional to Plastics|SA quote, should companies wish to choose from this list to make up the balance of credits required for the elective requirements. Although we don't offer these programmes, we could facilitate presentation by appropriate training service providers should it be required.

		Select Unit Standard
Operating lift trucks (8038)	Credits 6	
Operating cranes (8039)	Credits 10	
Perform the role of a safety, health and environmental protection representative (12455)	Credits 4	
Handle production waste (114104)	Credits 3	
Perform basic first aid (12483)	Credits 4
