

# South Africa 2019 International Coastal Cleanup Registration form.

To contribute to the International Coastal Cleanup you have three choices:

- Log your clean up on the **Clean Swell App** of Ocean Conservancy, but please let us know for logistical reasons (bags etc.)
- Register for an audited clean up using the standard International Data Sheets.
- Register for an un-audited clean up by not filling in any data sheets.

21 September 2019 (National Clean-up and Recycle Month)			
To register, kindly complete one form per clean-up and email it to <a href="mailto:john.kieser@plasticssa.co.za">john.kieser@plasticssa.co.za</a>

INTERNATIONAL COASTAL CLEANUP VOLUNTEER DATA FORM <i>Note: Please order one (1) data card for every two to three volunteers.</i>			
INTERNATIONAL COASTAL CLEANUP COORDINATOR DATA FORM <i>The Coordinator data form is to be completed only by the Cleanup zone/site captain. The zone/site captains are responsible for compiling all the data at their Cleanup site. All Coordinator data forms will be mailed back John Kieser</i>			
INTERNATIONAL COASTAL CLEANUP EVENT POSTER <i>Promotional posters to advertise your local cleanup event.</i>			
OCEAN TRASH POSTER <i>The poster is designed to be used at Cleanup sites serving as a quick reference for volunteers. The poster introduces volunteers to graphic images of what they can expect to find while participating in the Cleanup, and it serves to clarify some of the more ambiguous items on the data form. (Note: Order one for each site or registration desk).</i>
