	Access and use information from texts (8963))	Credits 5
HIV/AIDS 1 day = 3 credits	Understand and deal with HIV / Aids (12463)	Credits 3
Quality Management 2 days = 8 credits	Collect and use information (13217)	Credits 5
	Apply basic knowledge of statistics and probability to influence the use of data and procedures in order to investigate life related problems (9009)	Credits 3
Power and Telecommunication Cable Extrusion Machine Construction 5 days = 34 Credits	Operate and monitor machinery (9876)	Credits 12
	Complete post-production and finishing operations (9878)	Credits 12
	Use and care for tools and equipment (9879)	Credits 10
Safety in the Workplace 2 days = 11 credits	Work safely and use safety equipment when carrying out mechanical or electrical work on air conditioning, refrigeration and ventilation installations (116241)	Credits 7
	Deal with safety, health and environmental emergencies in the workplace (13222) - Elective	Credits 4
Basic Metal Welding 2 Days = 8 Credits	Perform basic welding/joining of metals (119753)	Credits 8
Identify and Process Waste 1 day = 4 credits	Identify and process waste (9909)	Credits 4

Plastics|SA

NQF LEVEL 2

IN-HOUSE LEARNERSHIP (continued)

Learning programmes offered as part of the Power and Telecommunication Cable Manufacturing Learnership towards the qualification:

National Certificate Power and Telecommunication Cable Manufacturing NQF 2 – SAQA ID 21011

Learnership No.

SAQA ID: 21011

Elective Unit Standards:

1. The Company has a choice of the elective unit standards it wishes to include in the qualification. Twelve (12) elective credits are required to fulfill the requirements of the qualification. Note elective unit standard 12484 (4 credits) included above.

   The following Learning programme offered by Plastics|SA is not integrated into the Learnership Programme. The Company can select this at no additional cost.

			Select Unit Standard
Action Plan to Improve Productivity (SP0121/07-17) 1 day = 3 credits	Frame and implement an individual action plan to improve productivity within an organisational unit (14445)	Credits 3	

2. Programmes **not** offered by Plastics|SA and **will be additional** to Plastics|SA quote. We could however facilitate presentation by appropriate training service providers should it be required.

			Select Unit Standard
Fire Fighting 1 day = 4 credits	Perform basic firefighting (12484)	Credits 4	
First Aid 1 day = 4 credits	Perform basic first aid (12483)	Credits 4	
Perform basic winding/ rewinding of cable manufacturing materials 1 day = 3 credits	Perform basic winding/ rewinding of cable manufacturing materials (10584)	Credits 3	
Total Training Days = 29, depending on electives chosen.
